

First State Bank & Trust Company Member FDIC *Investing in Fremont*

October 3, 2019

Dear Linden Parents/Students,

The First State Bank & Trust Linden Leopards Branch Bank will open for business again this fall for the tenth year. We will open for business on Tuesday, October 15th. The bank is open from 7:30-8 a.m.

What does this mean to you and your child? Your student will be able to open a savings account with your permission. Since this is a unique situation, all money deposited will be under one umbrella Linden Leopard account. However, information about each child's deposits will be maintained separately and kept confidential. **(Note: if your child started a savings account in the past, they are already enrolled in this program. You do not need to submit this form.)**

The Linden account is only active at the Linden branch. Withdrawals will only be allowed when the student leaves or graduates from Linden. At that time, a check will be issued for the balance in their account. Each student will have their own ledger where the tellers will record their deposits. These will be maintained and kept at the school. In lieu of interest, children receive incentives provided by First State Bank & Trust when they make deposits into their savings accounts – based on consistent savings and amount of savings.

As an extra incentive to participate, we will also match up to the first \$5 deposited on the first day of banking.

This bank is here to provide our students the opportunities to not only learn about savings and how banks operate, but to become savers themselves. We are building a community of economists here at Linden and want your child to become a savvy saver.

If you have any questions, please don't hesitate to contact Mrs. Beninato at Linden or myself.

Sincerely,

Cindy Slykhuis, CFMP
